Emergency Preparedness Information

**Grant funded by the American Rescue Plan Act and
the Administration for Community Living**

Our **GOAL**

Provide information to help people with disabilities and older adults protect themselves during public emergencies.

OUR APPROACH

- Learn from end users and professionals
- Create graphics and website copy
- Film & post videos
- Share the website & videos throughout the state
- Share information on social media and through e-newsletters

Listen to **CONSUMERS**

Find out what they
already know and what
their concerns are:

- **Direct Conversations**
- **Focus Groups**
- **Online Questionnaires**

Learn from **PROS**

- NV Dept. of Emergency Management
- Governor's Council on Developmental Disabilities
- City, County, BIA Emergency Offices
- Fire, Police, Paramedics

Be Your Own

First Responder

Emergencies can happen at any time, but they're less likely to have long-term consequences if you and your loved ones are prepared. For older adults and people with disabilities, having a plan in place is essential for ensuring safety and security in the event of a flood, fire, storm, power outage, earthquake or other emergency.
